

## A Strong Vendor for Multiple Systems Management Needs.

That's Smart – and Easy.

*That's Quest Software*

Now more than ever, you need to work smart and improve efficiency. But not just any vendor will do. You need a stable supplier offering a host of solutions to avoid headaches and save time.

The wise choice is Quest Software. We create and support smart systems management products that help our customers solve everyday IT challenges faster and easier. Since 1987, more than 100,000 customers worldwide have partnered with Quest to do just that — no matter how complex their environments are.

We're here to stay and are relentlessly focused on your needs. Learn how Quest can help you boost productivity and cut costs — visit [www.questsoftware.in](http://www.questsoftware.in) today. It's a smart move.
